Biographies of Board Nominees

Marie-Claire Gratton (Nominee for Director – Communications)

My husband and I moved to Riverview Park after falling in love with its central location and beautiful, tree-lined streets. We have since settled into our forever home on Lennox Park, met great, friendly neighbours, while raising our daughter, and we couldn't be happier to call this neighbourhood ours.

Professionally, I work as a Project Coordinator for the federal government and serve on the board of Le Carrefour d'Ottawa. In my spare time, you can usually find me studying for my Master's in Social Work or diving into data analytics for my author website.

I am putting my name forward to run for the role of Communications Director on the RPCA board. Being deaf, I know firsthand just how vital clear, accessible, and inclusive communication

truly is. If elected, I look forward to ensuring that all residents stay connected, informed, and engaged, and I am excited for the opportunity to give back to our vibrant neighbourhood.

Lise Andrée Payette (Nominee for Director – Membership)

Lise Andrée Payette has lived in Riverview Park for the last 30 years. She has lent a hand at a number of events with RPCA in the last few years. Lise Andrée was involved in community work through her professional career and would like to contribute to the continued efforts of RPCA. She is married, a mother of three and a grandmother of 6.
